

Camp Goals

The goal of the UNC Asheville baseball camp is to teach young players basic fundamentals in a fun, energetic, and educational atmosphere.

The camp is led by the UNC Asheville baseball coaching staff, as well as current and former UNC Asheville baseball players.

All young players will be actively engaged and continually participate in drills to further develop skills, basic fundamentals, and knowledge of the game.

Players will typically be split into groups based on age; however, some may be moved due to playing ability.
